Mr. William H. Seiler, Jr.,
Chairman
WYBC
242-A Yale Station
New Haven, Connecticut

Dear Bill:

Just a brief note to inform you that the date will be February 5th, unless you should be notified otherwise. I doubt that will happen.

If you've found time to get together with Bud to discuss your policies and have talked over the subject of expansion, I'd like to have your views. This would be extremely helpful to me in terms of organizing discussion, which I hope will be fruitful. Scott informs me that some stations will probably come with informal position reports to deliver to the meeting, so I do not expect the matter will be passed over as it has in the past.

I hope you'll be able to find time to write me in advance of the meeting, but in any case look forward to meeting you at the usual time and place on the 5th.

Cordially,

T'ing C. Pei
